All-

It appears that establishing a meeting for tomorrow is near impossible. I do not want to sit. I would like to contact Encana at 8:30 a.m. tomorrow morning. I would like to contact EPA at 11:00 a.m. (Mountain). If this is acceptable for each of you I will get a call in number set. In advance of tomorrow please evaluate your schedules for a meeting next week either in Denver (preferably) or Washington D.C. To bring this to conclusion in the time we have available before the end of the month I believe we need to hammer things out, even if that means a solid day meeting. We can discuss my thoughts and yours tomorrow.

I can make that window work except during 12-12:30 MDT.

I will be free for the rest of the afternoon after 1:00 MDT if necessary.

All-

A meeting this afternoon does not appear to work for everyone. Would each of you please send me your availability (times) for a discussion tomorrow? It is critical that we meet this week. I propose the following discussion topics:

-Deliberative document (investigation)

-Other elements

-Timeline (next meeting) - I believe an in-person meeting, much longer than our meeting last week, is necessary.

Thanks.

All-

My apologies. Apparently an e-mail that I had sent did not get distributed. I would like to host a conference call tomorrow afternoon. If each of you could send me your availability for a meeting tomorrow afternoon I will send an appointment along with a conference line. I have not completed my assignments but will be working those tonight and tomorrow morning. I'm hopeful that we can all maintain our commitments. Once I hear from the majority I will get things established.

My best.
